

## **Quizlet Study Sets**

I have put together several sets of Quizlet study guides to help you prepare for your unit tests. My tests are taken largely from the terms and concepts you will find in these sets, so it is to your advantage to use them to help you prepare for your tests. With Quizlet, you have several options for studying, including flashcards, games, tests that mimic the kind you will be given by me in class. It's free, it's fun, and it's one of my favorite ways to prepare you for a test! Here's how you get to them:

1) Go to **Quizlet.com**

2) in the search box at the top of the page, type in the following and hit enter:

**Mr. Fryar's**

3) Quizlet will bring up all study sets that begin with the term Mr. Fryar's. There will be several of them. Scroll down until you find the one for the material you are currently studying, and use it to help you prepare for your test. It's that easy!
